

# Every Call

Tim Williams | Howard Davenport | Nick Herbert | Jonathan Owusu-Yianomah | Enoch John

## Verse 1

I'm calling out to heaven  
Jesus you hear every cry  
Prayers that shut the mouths of lions  
Songs of faith that shake the sky

## Pre-chorus

My impossible  
You make possible

## Chorus

I'm knocking at the door, receiving from your throne  
Your answer comes before my prayer is even known  
Take all the faith I have to see the mountains fall  
Jesus hear my cry  
You hear every call

## Verse 2

In the waiting I am watching  
For a word that sets me free  
I am trusting in your timing  
In the silence I believe

## Bridge

There's nothing too small  
There's nothing too much  
You hear every call  
You're standing with us
