

# Creator God

Tim Williams | Howard Davenport | Nick Herbert | Jonathan Owusu-Yianomah | Enoch John

## Verse 1

As you were in the beginning  
Above the darkness and the deep  
Creator of the everlasting  
Spirit hover over me

## Chorus

Come breathe on me Creator God  
Come make your home  
Your life in me Creator God  
I'm yours alone

## Verse 2

Tangled lightning, thunder threatens  
Waves like mountains shake the shore  
Foundations breaking, death it beckons  
Jesus whisper calms them all

## Verse 3

Skies of glory, trumpets sounding  
Heaven and new earth are near  
Tears stop flowing pain is ending  
Jesus Christ will soon appear  
Jesus Christ will soon appear  
Jesus Christ will soon appear
